

## Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

Read more about Early Journal Content at <http://about.jstor.org/participate-jstor/individuals/early-journal-content>.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact [support@jstor.org](mailto:support@jstor.org).

## NEW PUBLICATIONS

---

The *Journal* seeks to cover, in its monthly bibliography, all current literature of economic interest in the following fields:

- I. Books published in the English, French, German, and Italian languages.
  - II. The government publications of the United States and of Great Britain.
  - III. Periodical references of four or more pages in a selected list of 114 periodicals.
  - IV. Fugitive material. This includes such items as state and municipal publications, foreign government publications (other than those of Great Britain), reports and pamphlets of various organizations, etc.
- B. = Berlin; Bost. = Boston; C. = Chicago; L. = Leipzig; Lond. = London; N. Y. = New York; P. = Paris; Phila. = Philadelphia; W. = Wien; † = Government publications of Great Britain; ‡ = Government publications of the United States which may be obtained through the Superintendent of Documents; †† = Government publications of the United States which may be obtained through the department mentioned. U.S. Gov't material is 8vo unless otherwise mentioned.

For abbreviations of Periodicals see January (1910) issue.
